SAACURH 2011

RHA Delegates Hard at Work

Starting November 4th, schools all over the South Atlantic region flocked to Georgia State University to attend the South Atlantic Affiliate of College and University Residence Halls (SAACURH) Annual Conference. The conference's theme was Honor Experience Respect Outreach (HERO), so naturally representatives donned capes and masks before swooping to the rescue. Georgia Tech sent eleven super-powered delegates and two heroic advisors adventuring across Atlanta to experience a weekend of learning and fun. Each delegate was equipped and costumed after a various Star Wars hero, showing that our delegation is really out of this world. After arriving the first night, the GSU hosts entertained guests night with a Drag Show and Casino Night. And even though the next day would be more business oriented, the hosts and presenters succeeded in keeping the fun alive. Broken down by different programming sessions, our delegates had the opportunity to explore a variety of new programming, advertising, and leadership techniques. Mathias Rost (President), Charles Cloud (Vice - President), and Sandy Manges (Staff Representative) presented programs, with Mathias and Charles winning a Top 20. The conference culminated in a Banquet where Georgia Tech was presented with SALT. Overall, an amazing experience for any resident to attend.

Upcoming Events

Tower's Haunted House

Having come off Music & Mocktails, the RHA Executive Board and the programming committee jumped right into planning Tower's Haunted House. Having decided to do a haunted bayou theme, Director of Programming Louisa explored various costuming and prop ideas before settling on a perfect mix of creepy, scary, and awesome. The event served another purpose, as the Executive Board collected monetary and canned donation for charity.

Buzz of the Weeks

Below are Hall Councils who have gone past the expectations. These Hall Councils were chosen in the past month.

Folk & Caldwell

Harrison, Howell, & Cloudman

North Ave North

Field & Hopkins

Challenge Course

November 12th, the Residence Hall Association stormed the Leasership Challenge Course. After completing teamwork challenges on the ground, our group suited up to take to the skies. Each member was able to complete the ropes course through a mix of teamwork and leadership. Each of the three groups had a great time working together to complete seemingly impossible tasks.

Themed LC #1

At the Fall Executive Board Retreat, our Executive Officers voted upon having four themed Legislative Councils throughout the year. On October 26th, Hall Council Officers donned various costumes to partake in our Halloween themed Legislative Council! From Jedis to Guy Fawkes, our hall council officers were able to relax a little bit more; therefore reaching the mix between pleasure and business. The next themed LC will be November 30th, so be sure to wear your most relaxing, yet tasteful pajamas!
