Tech Seniors Team Up on Social and Business Challenges

Engineering and design schools combine strengths to innovate for real clients

The new interdisciplinary design studio balances the core undergraduate instruction of innovation, a topic of rising importance, with a multi-disciplinary problem-based approach to engineering with human values, social entrepreneurship and global well being. More >

Connect, Be Inspired at End-of-Semester Exhibitions

Mobile User Experience Class

Saturday, April 30 / 7:00 pm - 9:00 pm / Cohen Gallery, East Architecture Building. Featuring student work from a collaborative project with HP/Palm. Projects feature ideas for managing extraordinary lives on the go.

Listening Machines

Saturday, April 30 / 8:00 pm - 10:00 pm / Stubbins Gallery, East Architecture Building. Georgia Tech's annual student-led music technology concert.

TANGLED: Industrial Design End-of-Year Show

Thursday, May 5 / 6:00 pm - 10:00 pm / Stubbins Gallery, East Architecture Building. Be inspired by the phenomenal student work in the School of Industrial Design.

Retrofitting Atlanta (and other urban delights)

Friday, May 6 / 9:00 am - 11:00 am / West Architecture Building Second Floor Atrium. See what the next generation of architects and urban designers have in mind for metro Atlanta (and Augusta) on ecological urbanism, retrofitting suburbia and downtown revitalization.
