Alpha Chi Omega had several important events this past year. They participated in Panhellenic fund raisers for various charity organizations. This year, they sold tickets for a treasure hunt to benefit the Leukemia Society. We also had fund raisers for the Alpha Chi Omega Foundation, and have had several members serve as volunteers for events to ben-

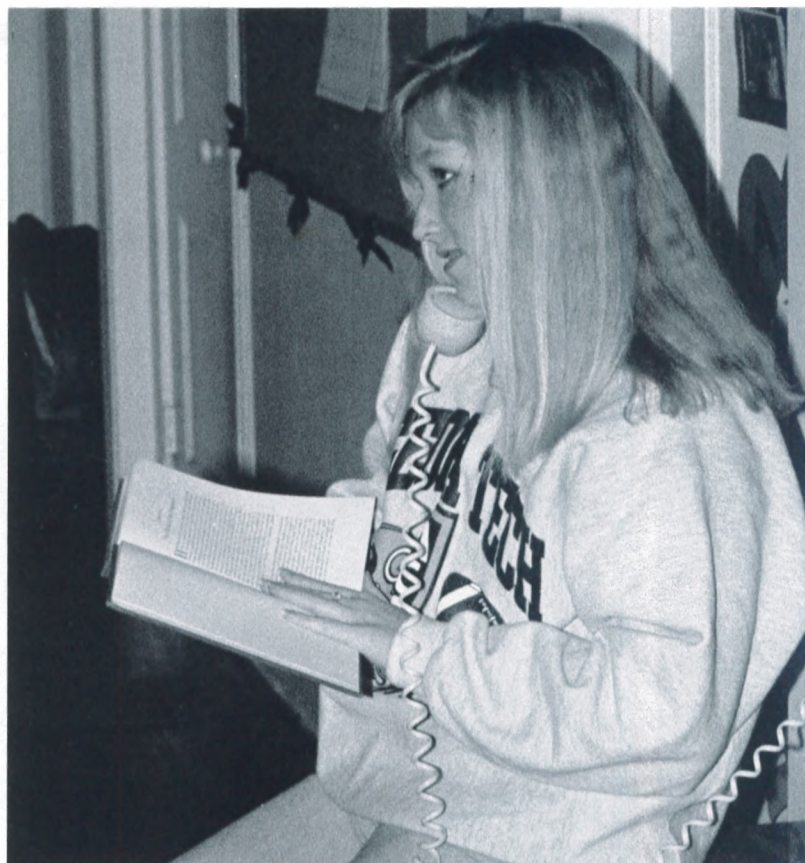

efit Scottish Rite and the Cystic Fibrosis Phone-a-thon. On a lighter note, they had several social events: A semi-formal in the fall, a pledge formal in the winter, and a party in honor of the Seniors in the spring. In addition to these events were mixers, intramurals, homecoming, and Greek Week... all keeping the Alpha Chi's very busy!!

Alpha Delta Pi was the first sorority founded in the nation. The Zeta Omicron chapter has been active at Georgia Tech for fourteen years. The girls host many events and participate in numerous activities throughout the year. Picnic in the Park, Pledge Semi-formal, Crush Party, and Black Diamond Formal are special ADPi social functions. Pledge Semi-Formal was held at Cross Creek Country Club and Formal was held on the Riverboat a Stone Mountain this year. Traditional Activities such as Homecoming, Greek Week and Derby Days saw ADPi enthusiastically striving for number one. Their efforts paid

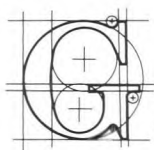

off when they won first place in the Homecoming competition. They received another honor at Homecoming when Janet Nelson, an ADPi sister, was named Miss Georgia Tech.

Alpha Delta Pi's national philanthropy is the Ronald McDonald House. Each fall, the girls hold a Teeter Tot-A-Thon to raise money to benefit the children who stay at the houses. A fashion show, different from most in that the clothes are handmade from paper products such as colorful napkins and paper towels, is held.

Essential to ADPi are the sister activities that build friendship. These activities are always fun; they include Thurs-

day lunches, Prided nights out, and senior parties. The most important aspect of Alpha Delta Pi is the sisterhood and friendship that it cultivates among the sisters. Closeness and caring for one another are evident in all of their activities.

That's just like you . . . Anybody want to run? . . . KROP . . . Monday night male bashing . . . the Pep Club will be out in full force . . . PATA . . . Amy's got another jumper on . . . Alpha Gamma Delta takes much pride in this past year which marked the second year in a row that the chapter won Greek Week and placed 1st in scholarship. The Alpha Gams also enjoyed many sisterhood events including ice-skating, attending the circus, and the annual Bid-Day dinner at Good-Old-Days in Buckhead. The sister hard work and dedication paid off during rush this year by pledging 25 great pledges.

At Convention, the Gamma Phi chapter was one of only 22 chapters to receive 4 stars indicating high levels of achievement in different areas. The chapter also worked hard

on philanthropic projects which raised money for charities such as the American Cancer Society, Scottish Rite Children's Hospital, Habitat-for-Humanity, and our national philanthropy, the Juvenile Diabetes Foundation. We also held our annual "President's Kidnap" which raised can food for the homeless.

All of this and a full social calendar that included our Fall Pledge semi-formal, Christmas Party, fall and Spring parties, Winter Formal, mixers, and weekly lunches at the house filled out a very busy year for all Alpha Delta: a year that proved to be full of sisterhood and success.

Alpha Kappa Alpha Sorority, Incorporated was the first Greek letter organization established by black college women. Alpha Kappa Alpha was founded January 15, 1908 on the campus of Howard University. Since then, it has grown from one undergraduate chapter to an international organization with a membership of over 100,000 women. Alpha Kappa Alpha Sorority was organized and continues to exist as a channel and instrument for the expression of sisterhood and friendship.

Alpha Kappa Alpha's national program theme for the next four years is Creative

Strategies for Action: Addressing the Crisis of the 1990's. The theme addresses six targets: Back to Basics in Education, Addressing Health Concerns, Attaining Economic Empowerment, Strengthening the Black Family, Focusing on the Arts, and Enhancing the Global Perspective. Sorors of Alpha Kappa Alpha all over the world will be implementing this theme and its targets into their chapter programs in order to address the critical issues of the 1990's.

Nu Beta Chapter of Alpha Kappa Alpha Sorority, Inc. was founded on the campus of Georgia Tech, April 14, 1979. In addition to the national tar-

gets, Nu Beta's target has been to try to enhance the lives of the students at Georgia Tech and the surrounding community. To achieve this, Nu Beta has had several projects including a creative learning project at Fowler St. Elementary School, tutoring at Techwood Community Center, health displays, clothing and can food drives, seminars on pertinent issues, freshman mixers, and fundraisers for the Educational Advancement Foundation, National Council of Negro Women, United Negro College Fund, and the Cleveland Job Corps.

Gamma Eta chapter of Alpha Xi Delta was the first sorority founded at Georgia Tech, in 1954. Alpha Xi's national philanthropy is the American Lung Association. Each year the Gamma Eta chapter has a golf tournament to raise money for ALA. This past year, 1990, over \$4000 was raised and prizes galore were given away. These prizes included a car for a hole-in-one, which unfortunately no one won. Alpha Xi's annual social activities include a

Pledge Semiformal, a spring formal named Killarney Ball after their flower, the Killarney rose, many mixers (themes have included a Hoedown, a Halloween party, Beach Bash, Heaven and Hell) and an Alpha Xi Crush of My Life party held every winter. Alpha Xi's remain busy throughout the year, maintaining a high GPA, getting involved with many campus activities, and keeping Alpha Xi the strong organization it is.

In 1913 a vision was seen on the campus of Howard University by 22 dynamic young women who founded Delta Sigma Theta Sorority. These enterprising young ladies demonstrated a vital concern for social welfare, academic excellence, and cultural enrichment, de-emphasizing the social side of sorority life. Delta Sigma Theta, a public service sorority with over 175,000 members, was the largest Black Greek organization for women, with chapters well outside the United States. This past year Xi Alpha chapter was very active in the Techwood community where they tutored through the Techwood Tutorial Program, sponsored a Girl Scout troop, and participated in the Big Sister program. Also, members of the sorority held several executive positions in many campus organizations.

Φ M

The Theta Zeta Chapter of Phi Mu Fraternity at Georgia Tech has been involved in many philanthropic and social activities. We have conducted an annual Shoot for Two with Phi Mu 3-on-3 basketball tournament with proceeds going to both Project Hope and Scottish Rite Hospitals. This tournament occurred Winter Quarter and we had overwhelming support. We also helped with two telethons during the year. They were the Children's Miracle Network Telethon and the Council on Battered Women's Telethon. We not only helped staff phones, but we also helped set up the telethon. During Christmas and Valentine's holidays, we sent cards to the children at both Egleston and Scottish Rite Hospitals in the area.

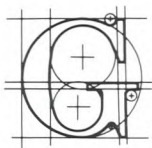

As for social activities, we have an annual Semi-Formal to honor our new Phis (our pledges). This year we had the formal at the Westin Peachtree Plaza Hotel in downtown Atlanta. In the spring, we had a Formal that serves to honor all initiated members of Phi Mu. The Spring Formal was held at the Ritz Carlton in downtown Atlanta. We also had annual Halloween Crush parties and Valentine's Day parties.

ZTA

The Creed of Zeta Tau Alpha by Shirley Kreasan Strout

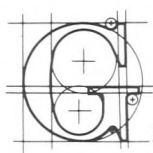

To realize that within our grasp, in Zeta Tau Alpha, lies the opportunity to learn those things which will ever enrich and ennoble our lives; to be true to ourselves and to those within and without our circle; to think in terms of all mankind and our service to the world; to be steadfast, strong, and clean of heart and mind, remembering that since the thought is father to the deed, only that which we would have manifested in our experiences should be entertained in thought; to find satisfaction in being, rather than seeming, thus strengthening in us the higher qualities of the spirit; to prepare for service and learn the nobility of serving, thereby earning the right to be served; to seek understanding that we may gain true wisdom; to look for the good in everyone; to see beauty with its enriching influence; to be humble in success and without bitterness in defeat; to have the welfare and harmony of the fraternity at heart, striving ever to make our lives a symphony of high ideals, devotion to the Right, the Good, and the Truth, without a discordant note; remembering always the foundation precept of Zeta Alpha Tau was Love, "the greatest of all things."

Alpha Phi Alpha Fraternity, Inc. the first intercollegiate Greek-letter fraternity for African-American college students was organized at Cornell University, Ithica, New York, in 1906. Since its founding, Alpha Phi Alpha has moved from a purely collegiate, social organization to one which is deeply involved in the social, economic, and political struggle toward self-development and

equal opportunity for African-Americans. The fraternity has grown steadily in influence throughout the years. Over 125,000 men have been initiated into Alpha Phi Alpha and there are now 400 college chapters on various campuses throughout the nation.

Nu Mu chapter of Alpha Phi Alpha was founded at Southern Tech and included Georgia Tech in its chapter

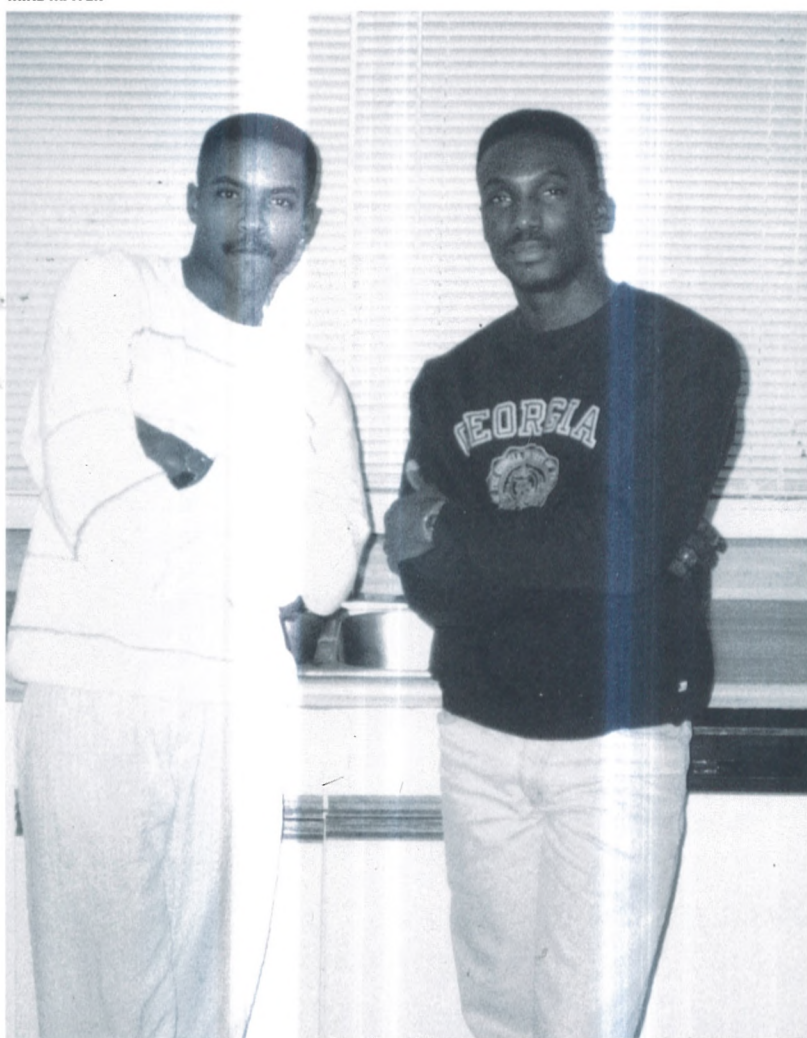

base in 1978. The chapter has made some great accomplishments over the past twelve years including the Chapter of the Year for the state of Georgia and the award for most outstanding minority Greek letter organization the past two years. Activities during the 1990-1991 school year included participating in the Big Brothers, Big Sisters of Atlanta program, the Boy's Club of Atlanta, and

sponsorship of a Cub Scout troop in the Techwood Homes area. Campus activities included the Black and Gold Ball, the Miss Black and Gold Pageant, quarterly Attitude Adjustment parties, in addition to King Week activities honoring Martin Luther King Jr. and the annual Alpha Week to celebrate Alpha Phi Alpha and Nu Mu chapter.

Beta Theta Pi has always prided itself on its commitment to excellence. This has been shown by the chapter repeatedly winning the IFC award for best overall fraternity. Through this commitment, the Betas have become a tight-knit group which truly can call itself a brotherhood.

The Betas also have a strong philanthropy record serving the Atlanta community. Recent projects have included working at the Atlanta Dogwood Festival and Charles Harris Run, building houses for the less fortunate with Habitat for Humanity, and performing fundraising activities with the Midtown Business Association. The brothers have also sold tickets for the Virginia Highlands Treasure Hunt and worked with the Arthritis Foundation in their phone-a-thons.

Socially, the year began with the exciting games of the Georgia Tech football team and the Beta band parties which follow each home date. Winter quarter was highlighted by the annual Diamond Formal, as well as mixers with sororities from a variety of Georgia colleges. The Betas ended the year with the annual Beach Weekend trip to Florida and the Champagne Weekend celebration honoring graduating seniors.

Chi Phi is the oldest national social fraternity. A result of the union of three separate organizations, it has grown to over 61 chapters and colonies since its early beginnings in 1824.

Chi Phi prides itself on having the only Tech fraternity house on the National Historic Register. Noted for its spiral staircase, it has served its brothers faithfully since 1928.

Chi Phi is the only Tech fraternity with a Housemother. Mrs. Mary Brooks, or Mother Brooks has provided many a brother and other students with advice and moral support.

There is a special feeling of brotherhood and tradition that makes being a Chi Phi stand out. This feeling bonds not only the brothers active today, but links us to brothers of the past and those yet to come. Chi Phi is truly a brotherhood of life. We believe the experiences at Chi Phi will do just as much to prepare men for the outside world at Tech itself.

Alpha Iota Delta of Chi Psi was established at Georgia Tech in 1923 as part of one of the strongest nationwide fraternities. Chi Psi was the eighth fraternity to be founded, but the first to emphasize the fraternal and social principles of brotherhood.

Chi Psi's were involved in many aspects of campus and community life. Several of them held positions in the Student Government and the IFC, as well as being active in FASET, Executive Round Table, the Fencing Association, and the Presidential Scholarship Pro-

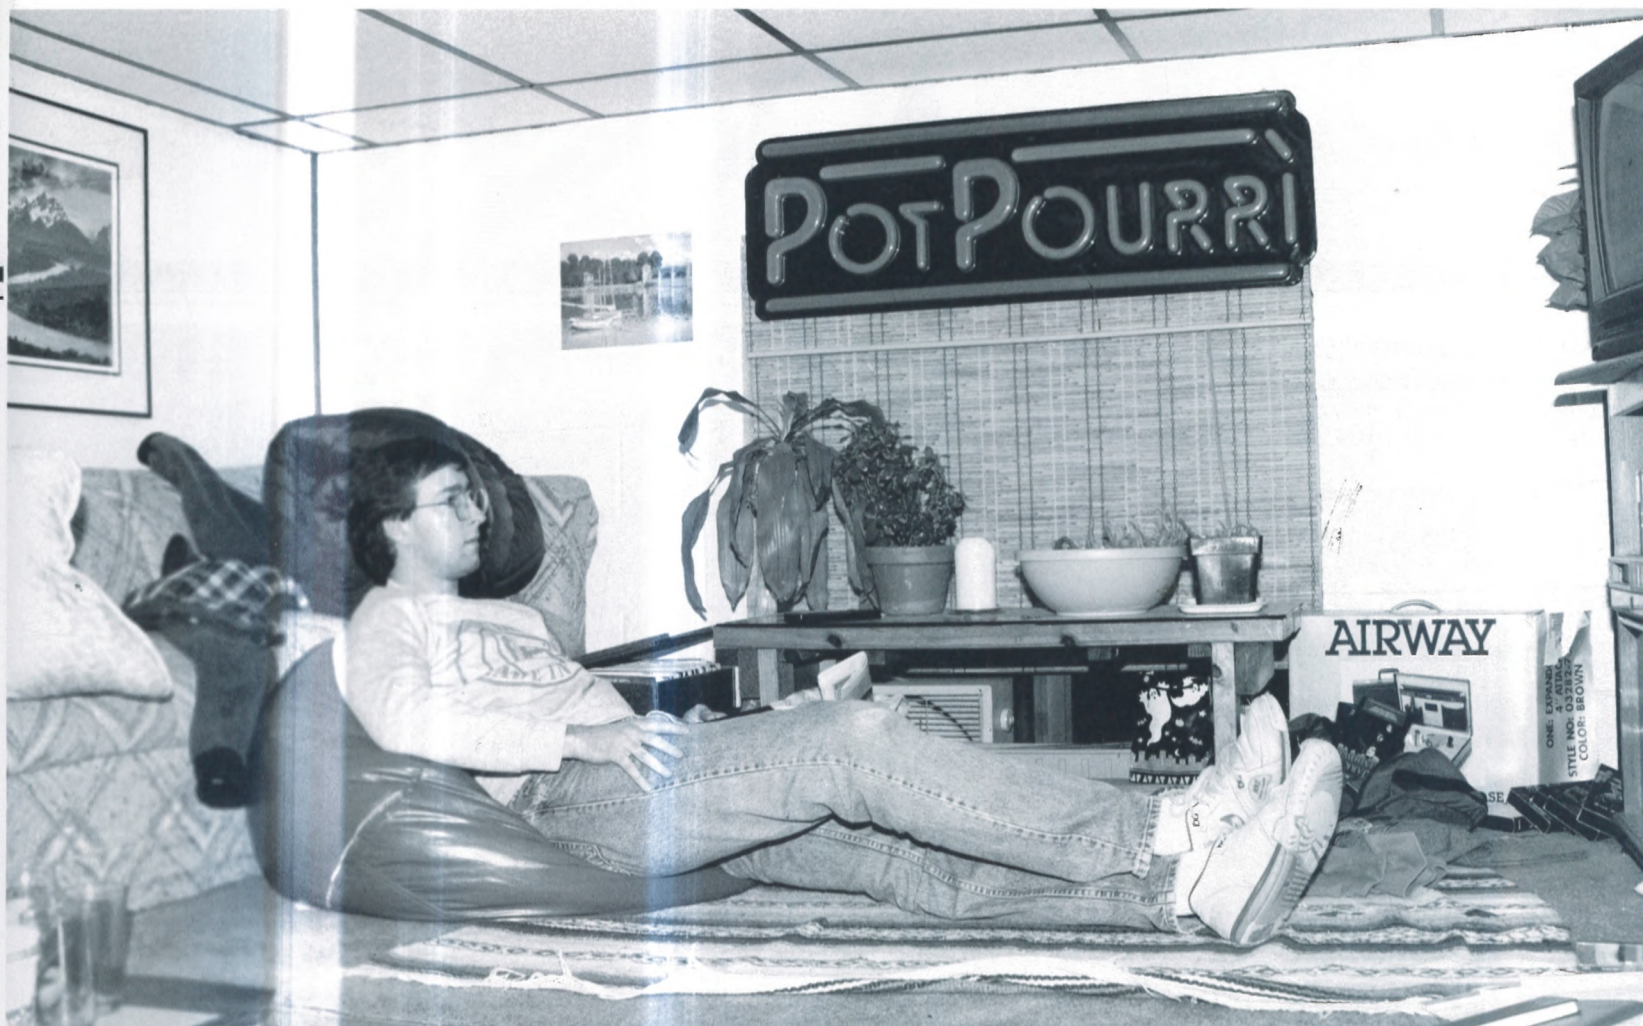

gram. The brothers also did their part to aid the Atlanta area, participating in service projects such as Habitat for Humanity, Atlanta Food Bank, and the Central Homeless Shelter.

At Chi Psi, the best way to relieve the pressures of Tech was to have a good time. This past year, their social calendar included their ski weekend, Winter Formal, Founder's Day celebration, Christmas party, and their popular version of monopoly. Chi Psi was certainly experiencing an era of prosperity, experienced good times and will continue to do so for years.

On April 2, 1990 the Georgia Tech Colony of the Delta Chi Fraternity began with an interest group of twenty-five men. It was the first new fraternity on campus in over thirty years. On May 19, 1990, thirty-six Founding Fathers were initiated into the bond of brotherhood of Delta Chi. Since then the colony has expanded to over seventy members placing it in the top half of fraternities by size at Tech.

The Founding Fathers of the colony had a simple purpose in starting a new fraternity at Georgia Tech:

"To establish a fraternity

founded in brotherhood... To promote leadership and to strive for excellence in all aspects. To have a positive effect on Georgia Tech and the local community. To encourage participation, promote academic excellence and keep chivalry alive."

Delta Chi was initially founded at Cornell University in 1890. Today, Delta Chi has grown to one hundred twenty chapters and colonies across the U.S. and Canada with over 60,000 initiates.

By March 12, 1991, the Georgia Tech Colony had met all of the requirements established by the national fraternity and submitted a lone hundred seven page chartering petition to the Headquarters Office for approval. On

May 11, 1991 the Delta Chi Fraternity at Georgia Tech will receive its charter signifying its acceptance as a chapter.

Delta Chi is comprised of men who are willing to accept a challenge. We have developed into a productive fraternity at Georgia Tech promoting personal growth through brotherhood. With our goals and Ideals intact, Delta Chi will continue to be an active member of the Georgia Tech community as well as a positive influence for its members. The skills and abilities developed by Delta Chi's are unattainable in a classroom environment and prepare them for the challenges and opportunities they will encounter later in life. Delta Chi is truly a brotherhood of a lifetime.

Δ Σ Φ

Founded in 1920, the Georgia Tech chapter of Delta Sigma Phi has been a fraternal leader ever since. While many fraternities strive for one image for their members to emulate, Delta Sig recognizes that fraternal strength comes from diversity and mutual support among our brothers. We are a fully integrated fraternity, and our brothers come from all social and economic backgrounds. No single label is adequate to describe Delta Sig, where the only common denominator is friendship.

Our tight bonding comes from our rich social calendar, featuring our yearly trips to Mardi Gras and Panama City. The weekend long Spring Shipwreck Party transforms the house into a tropical paradise of madness. But partying is not all that we do. Our program of engineered leadership keeps us very active on campus. We provide coordination and manpower for two school-wide blood drives each year. Our annual basketball tourney brings in teams from Delta Sigs throughout the eastern United States to benefit the March of Dimes. Our extensive word file keeps us academically competitive, and we are consistent contenders in the myriad of intramural sports offered by Georgia Tech.

Delta Upsilon international fraternity is the sixth oldest social fraternity, and the first to be founded non-secret as well as non-hazing. These two 155 year old standards serve as the building blocks for a fine and growing fraternity and allows us to offer innumerable benefits to our members. We feel college should round out an education in areas not covered by textbooks and lectures.

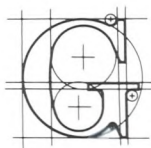

The Brothers of Delta Upsilon participate in different intramural sports, such as flag football and softball, as well as school sponsored teams like the Soccer Club.

The fraternity prides itself on it's involvement in the community by assisting organizations such as The March of Dime, The Leukemia Society, and Special Olympics on a volunteer basis. The social calendar is always full with activities such as float trips down the Chattahoochee and socials with sororities. Highlights include the infamous Bus Party, Senior Day, and our Winter Formal.

Although we enjoy all aspects of college, our goal is to help our members achieve the highest level of academic performance possible.

Alpha Sigma chapter of Kappa Alpha Order has served as an integral part of the Greek community on the Georgia Tech campus for over ninety years. The 1990-91 year proved to be no exception. It opened for the Southern Gentlemen of the Crimson Cross with a productive fall rush which gave rise to a very fine pledge class. During winter quarter we celebrated our heritage at Convivium, our winter formal. Red Light Ball turned out to be a great party with some seductive and almost convinc-

ing costumes. Finally, spring quarter was filled with the annual softball tournament with surrounding KA chapters, a spring concert for the Muscular Dystrophy Association, and the peak of it all, Old South in Destin, Florida.

KA also had a great year competitively. For homecoming we placed fifth overall and first in our division. This was mainly due to some memorable performances in the Mini 500, Mock Rock, and awesome wreck and fixed body for the Reck Parade.

Kappa Alpha Psi Fraternity was founded January 5, 1911 on the campus of Indiana University in Bloomington Indiana. Since its inception, Kappa has been a leader in the field of public service. Guide Right, Kappa's major public service program, was created to aid in the development of youth, for they truly are the future. And with proper guidance, the youth of today shall lead the world onward and upward to brighter and better things.

The Lambda Delta Chapter of Kappa Alpha Psi, however young, has excelled in all areas of life. Along with Guide Right activities, which included among other things, participation in the Techwood Tutorial Program and sponsorship of an underprivileged North Carolina youth, Lambda Delta also held quarterly T-Day carnivals at the Roosevelt House, a residence for elderly and handicapped Atlantans. Other philanthropic activities included a Roadblock to benefit The Sickle Cell Foundation, and collection of canned goods to benefit Atlanta's hungry.

And party my friend...they never stopped! From the windows, to the walls, the Nupes, already legends for the way they throw down, set a new standard in the arend of partying. Beginning with the Pre-class Bachelor Party (whew!) and culminating with the annual Renegade Weekend, the Nupes definitely earned the admiration of partygoers throughout the south. And they definitely ran the yard.

KΣ

Having been founded so long ago, Kappa Sigma has an impressive heritage that is rich with tradition. Here at Tech, Kappa Sigma's strive for excellence. We pride ourselves on participation in campus organizations. Six Presidents of the Ramblin' Reck Club have been Kappa Sigma's. Brothers participate actively in Student Government, NROTC, AFROTC, FASET, and in various academic societies. On the athletic field, Kappa Sigma sets an example of sportsmanship and determination. Teams participated in every intramural sport, and most of the teams reached the playoffs in their respective sports. Top sports of Kappa Sigma include volleyball and ultimate.

Kappa Sigma's also find time to study and party. This past fall, Kappa ranked eighth out of thirty one fraternities on campus in academic standing. The brothers manage to enjoy a full social life with mixers, parties and other social functions. From football season and Homecoming in the fall to Black White Formal in the winter and beach weekends in the spring, Kappa Sigma's know how to enjoy their time away from the classroom.
