Request Books

If the library does not have a book you need, we have services available to help you get it.

- PASCAL Delivers ★★★★★
PASCAL Delivers is a service which finds books in other SC libraries and sends them to Thomas Cooper for you to check out. Click here or use the link in the catalog to access this service.
- Interlibrary Loan ★★★★★
Interlibrary Loan is a free service to students, faculty and staff. Request a book and ILL staff will find it at another library and have it sent to Thomas Cooper for you to check out.
- Erequest ★★★★★
Suggest that the library purchase a book to add to our collection.

Find Articles for Criminal Justice

Try using these databases for locating articles on the topic of Criminal Justice. (For a complete list of databases for Criminal Justice, [click here.](#))

- Criminal Justice Abstracts**  

Comprehensive coverage of international journals, books, reports, dissertations and unpublished papers on criminology and related disciplines.
- National Criminal Justice Reference Service**  

The National Criminal Justice Reference Service Abstracts Database contains summaries of more than 180,000 criminal justice publications.
- Academic Search Premier**  

Academic Search Premier contains unmatched full text coverage of virtually every area of academics, including Criminal Justice.
- JSTOR**  

JSTOR offers full-text on-line access to back issues of more than 100 scholarly journals in the humanities, social sciences, and sciences. Issues are entered on-line after having been published for 2-5 years.
- Social Sciences Citation Index (Web of Science)**  

The Social Sciences Citation Index is a multidisciplinary database, with searchable author abstracts, covering the journal literature of the social sciences.
- Gamecock POWER Search** 

Search multiple databases at once! Look for Criminal Justice (under Social Sciences) as a subject. Choose multiple categories/subjects for interdisciplinary topics.
- More databases . . .** 

See a complete list of library databases; choose a subject or pick your database from the alphabetical list.
