Burns toast.

Brightens futures.

Some Gifts Just Do More Than Others.

Think about it. Most gifts are pretty unimaginative. A toaster makes toast. A blender just blends. And there are some gifts that no one knows what they're supposed to do.

But give Savings Bonds, and you'll be giving the gift of future possibilities—from a down payment on a car to help with college tuition. With eight denominations to choose from, there's a size for every occasion. You can select the popular Series EE Bond or the inflation-protected I Bond. They're available through most banks, where you work, or automatically through the new Savings Bonds EasySaver™ Plan at www.easysaver.gov.

Call 1-800-4US BOND for recorded rate information, or write to:
Savings Bonds Pocket Guide,
Parkersburg, WV 26106-1328.
