

Waiver of Enrollment

GTID #: 903713346

Name: Romero Dominguez Lissette A
Last First Middle

School: School of Industrial Design Signature: Lissette Romero

I request a waiver of the Institute requirement that a graduate student be registered during the semester in which he/she/they graduates (enrollment waiver).

I have completed all degree requirements and will no longer require any of the Institute's facilities or faculty time to complete the following (choose one):

- MS without thesis (course work only)
MS with thesis option
Ph.D. degree.

I propose graduating during the Spring (semester) of 2024 (year). I am/was registered in the semester preceding my proposed graduation semester, the semester for which I am requesting a waiver. This includes summer semesters. [Exception: non-thesis master's students who have completed all coursework prior to the graduation semester need not have been enrolled the prior term.]

I understand that I may apply for this waiver only once. If a thesis is required for my degree and I do not submit my final approved thesis to the Graduate Education office before the end of the registration period for the above specified semester, I may have to register for at least 3 hours.

Thesis students must complete the following at the same time as this form:

- Final approved thesis uploaded to the ETD/Vireo web site
Submit Signed Certificate of Thesis Approval and any other required document to Office of Graduate Education.
Oral presentation and all corrections must be completed before the submission.

IMPORTANT: This enrollment waiver does not automatically reactivate your degree petition. You must meet the Registrar's normal deadlines to petition to graduate or reactivate your degree petition for this term.
