and

# BLADE

SCABBARD AND BLADE is a national military honor society composed of the outstanding advanced students of the Army, Navy, and Air R. O. T. C. Candidates are selected semi-annually on the basis of demonstrated leadership, interest in military affairs, and scholastic standing. The Tech Company was founded in 1921, and for many years has sponsored the annual Military Ball. Also during the year, Scabbard and Blade promotes lectures and discussions for the purpose of supplementing military class work and disseminating intelligent information concerning the military requirements of our country.
